## CURRICULUM VITAE

1. **Family name:** DIANZINGA
2. **First names:** NIRY TIANA
3. **Nationality:** CONGOLESE
4. **Country of Residence:** REUNION ISLAND (FRANCE)
5. **Contact details:** 18, Stanislas Gimart Avenue, Amarantes Residency, Apartment 110,97490 Saint-Denis.  
phone: +262(0) 693064435  
email: niry.dianzinga@gmail.com

### 6. Education:

Institution [ Date from - Date to ]	Qualification obtained:
University of Reunion [2016-2020]	PhD in Population Biology and Ecology
University of Reunion [2014-2016]	Research Master in Biodiversity and Tropical Ecosystems
University of Marien Ngouabi (Rep of Congo) [2009-2012]	Bachelor's in chemistry and Biology

### 7. Language skills: (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
French	1	1	1
English	4	4	4

### 8. Membership of professional bodies:

Training Institute and Agricultural Consulting (IFCA - Reunion)
---

### 9. Specialisation (e.g. Agronomy, soil fertility, agricultural economics, veterinary science etc.) Agronomy

### 10. Present position: Trainer and Agricultural Consultant

### 11. Key Skills:

- Tropical crops
- Fertilizer and pesticide
- Alternative methods to chemical control
- Ecology of pests and crop auxiliaries
- Implementation of experimental device on field
- Population genetics
- Good level in statistical analysis on R
- Fieldwork

### 12. Specific experience:

Country	Date from - Date to
Madagascar	March to April (2018)
Belgium	March 2017

### 13. Professional experience (Formal employment and Assignments/consultancies)

Date from - to	Location	Organisation	Position	Description of Duties and achievements
from July 2020 to the present day	REUNION	Training Institute and Agricultural Consulting	Trainer and Agricultural Consultant	<p>Animation training activities (theoretical courses, practical work, ...)</p> <p>Editing, animation and management of training courses (content, teaching methods, etc.)</p> <p>Preparation of agricultural training materials</p> <p>Arranging and conducting training in compliance with the safety rules for goods and people</p> <p>Perfect assurance of educational and technical supervision in my field of intervention</p> <p>Evaluation of results</p> <p>Assurance of proper monitoring of the administrative management of training</p> <p>Acting as both technician of methodologist and teacher, I made the diagnosis, evaluation and monitoring of training projects</p> <p>Search and processing of information (books, scientific articles, ...), relying on concrete examples close to</p>
