SADC VISION 2050 & REGIONAL INDICATIVE STRATEGIC PLAN (RISDP)

SADC Vision 2050

CCARDESA
Centre for Coordination of Agricultural Research and Development for Southern Africa

SADC Vision 2050

“A peaceful, inclusive, competitive middle-to-high income industrialised region, where all citizens enjoy sustainable economic well-being, justice & freedom.”

Cross Cutting Issues-Gender, Youth, Climate Change and Disaster Risk Management

Industrial Development and Market Integration

Infrastructure Development in Support of Regional Integration

Social and Human Capital Development

Peace, Security and Good Governance

The Foundation, Pillars and Crosscutting issues are underpinned a number of strategic objectives explored fully under the RISDP.

Vision 2050 and the RISDP 2020-2030

CCARDESA
Centre for Coordination of Agricultural Research and Development for Southern Africa

- The SADC RISDP 2020-2030 is an integrated strategy following from the Revised RISDP 2015-2020, which seeks to implement a number of action areas aimed at realising SADC's long term Vision 2050.
- SADC's Vision statement is ***A peaceful, inclusive, middle to high income industrialised region, where all citizens enjoy sustainable economic well-being, justice and freedom.***

Vision 2050

SADC's Mission Statement

CCARDESA
Centre for Coordination of Agricultural Research and Development for Southern Africa

Create a conducive environment to foster regional cooperation and integration anchored on industrialisation, market integration, infrastructure development and macroeconomic stability. and uphold fair/free movement of goods; people/labour; capital and services. To that effect, political stability, peace and security, and good governance shall be at the epicenter of national and regional undertakings.

Accelerate the mobilisation of resources from within the Community and external sources.

Improve implementation of SADC policies and programmes through the effective realisation of roles and responsibilities undertaken by various actors and entities through institutional reforms.

Strengthen compliance by Member States through the implementation of effective compliance monitoring and assurance mechanisms to track progress in the implementation of SADC programmes and compliance to Protocols and legal instruments.

Magnify visibility and awareness as a means to trigger and maintain the relevance, interest, and participation of the SADC citizenry in driving the regional integration agenda.

Overview of RISDP 2020-2030

CCARDESA
Centre for Coordination of Agricultural Research and Development for Southern Africa

Foundation: Peace, Security and Good Governance

- Enhanced regional capabilities to mitigate against political, security, socio-economic & environmental threats.
- Enhanced political cooperation, democracy, good governance, rule of law, human rights & security.
- Enhanced collective defence and security systems.

Pillar 1: Industrial Development And Market Integration

- Enhanced industrial and technological capacities and the sustainable development of priority value chains.
- Enhanced blue and green economies that generate revenue and employment.
- Enhanced Inter and intra-regional trade.
- Enhanced financial integration and monetary cooperation
- Enhanced macroeconomic stability and convergence

Pillar 2: Infrastructure Development in Support of Regional Integration

- Enhanced/upgraded and competitive infrastructure networks and related capacities which are accessible to Member States in the energy, ICT, Water and Transport sectors.
- Improved networks of interconnected, integrated, and quality seamless infrastructure.

Pillar 3: Social and Human Capital Development

- Improved health systems & nutrition outcomes through proactive programming & monitoring.
- Improved Living Standards for Significant Number of SADC Citizens .
- Enhanced Human Capacities for Socio-Economic development

Crosscutting issues

Enhanced gender equality

Responsive regional statistical system

Improved youth empowerment

Climate change adaptation

Improved disaster risk management

Sustainable conservation of NRM & environment

Access to quality HIV and AIDS services

CCARDESA
Centre for Coordination of Agricultural Research and Development for Southern Africa

SELECTED PILLARS AND SELECTED STRATEGIC OBJECTIVES OF RISDP (2020 – 2030)

Peace Security and Good Governance

Strategic Objective 1: *Enhanced conflict prevention, management, and resolution systems, with early warning systems that are capable of tracking and monitoring political, security, and socio-economic threats*

Outcome 1: Enhanced early warning systems, leading to timely and targeted monitoring and response to political, security, and socio-economic threats.

Counter-Terrorism Coordinating Centre established.

Measures to address new, “non-traditional” security threats (climate, migration, pandemics).

MS Capacity to monitor indicators of insecurity.

Rights-based approach to addressing extremism and terrorism.

Strategic Objective 2: *Strengthened political cooperation, democracy, good governance, rule of law, human rights, and human security*

Outcome 4: Enhanced human security in Member States, particularly for the most vulnerable and marginalised populations.

Improve the capacity of national governments to safeguard food security and food sovereignty, while ensuring access to healthy and nutritious food which is healthy.

Pillar 1: Industrial Development And Market Integration

Strategic Objective 1: *An industrialised regional economy that is based on a competitive and facilitative environment, which includes infrastructure and skills, and sustainably exploits its natural resources by leveraging science, technology, and innovation.*

Outcome 2: Enhanced Industrial and value chain development focusing on priority sectors.

SMEs participate in industrialisation and regional value chains.

PPPs participate in the industrialisation agenda promoted.

Regional/global value chains and value-addition strategies and programmes.

Instruments to support competitiveness of SADC goods and services.

Raw Material Initiative/Strategy developed.

Strategic Objective 2: *A transformed agricultural sector that practices sustainable management of the environment and its natural resources.*

Outcome 1: A highly productive agricultural sector

RAP & RAIP implemented and monitored.

Private sector participation and investment in the implementation of the RAP and RAIP promoted

Implementation of regional crop and livestock development programmes monitored.

Sharing of research, information, and best practice promoted to upgrade agro-industrial production

Measures to help farmers mitigate climate change effects.

Outcome 2: Improved and widened market access for agricultural and industrial products Key Interventions

Programmes to enhance competitiveness of SADC agricultural and industrial products

Regulatory frameworks for genetically modified and living modified organisms developed.

Pillar 1: Industrial Development And Market Integration

Strategic Objective 3: *Interconnected, integrated, and competitive Blue, Green, and Circular Economies that are sustainably developed for the benefit of all SADC citizens.*

Outcome 1: Sustainably developed SADC Blue, Green, and Circular Economies

Green Growth Strategy and Action Plan operationalized.

Blue Economy Strategy developed.

Circular Economy strategy developed.

Strategic Objective 4: *Deepened regional market integration which is connected to the continental and global markets.*

Outcome 3: Enhanced cooperation and regional coordination on matters relating to tourism

SADC Protocol on Tourism revised.

Regional platform for regional cooperation on tourism established.

TFCAs developed and implemented.

Instruments to enhance resilience of the tourism industry to disasters and pandemics.

Pillar 3: Social and Human Development

Strategic Objective 1: *Strengthened & harmonised regional health systems for the provision of standardised and accessible health services to all citizens & addressing threats caused by health pandemics.*

Outcome 2: Enhanced investment in nutrition to address all forms of malnutrition

Regional minimum standards for food fortification to address malnutrition developed and Nutrition interventions implemented.

Regional policy guidance and support for implementing nutrition programmes targeting school-aged children.

Strategic Objective 2: *Improved food and nutrition security for the socio-economic well-being of people in the region.*

Outcome 1: Improved living standards for SADC citizens

SADC Regional Poverty Reduction Framework adopted, implemented, and aligned to MS strategies.

Regional Food Financial Reserve Facility established and resourced.

Cross cutting themes

CCARDESA
Centre for Coordination of Agricultural Research and Development for Southern Africa

Strategic Objective 4: Strengthened climate change adaptation and mitigation

Outcome 1: Enhanced sector-based approaches towards developing climate change resilience

Outcome 2: Reduced carbon footprint in the region

Strategic Objective 5: Improved disaster risk management in support of regional resilience

Outcome 1:
Coordinated and effective response and recovery efforts to address the impact of climate change and natural disasters, pandemics, and migratory pests.

Outcome 2:
Strengthened disaster risk management and governance in the region

Outcome 3:
Strengthened planning for disaster risk assessment and preparedness

Outcome 4:
Enhanced disaster risk management investments to facilitate climate adaptation and community resilience

Outcome 5:
Strengthened regional and national disaster recovery interventions (building back better)

Strategic Objective 6: Sustainable utilisation and conservation of natural resources and effective management of the environment

Outcome 1: Improved management of the environment and sustainable utilisation of natural resources
